RE: Academic Affairs Ratification Item
September 2023

Ratification

On May 16, 2023, East Central University requested approval for the curricular items listed below. These items were not reflected on the June agenda. On June 14, 2023, Executive Director Sheridan McCaffree requested emergency approval on ECU's behalf. On June 15, 2023, Regent Reilly granted approval for these curricular modifications. **We now request ratification of that approval for the following items:**

- **MEd in Instructional Design & Technology (104):** Program deletion due to inadequate enrollment.
- **MEd in Sports Administration (105):** Program modification due to institutional isomorphism.
- **MS in Accounting (097):** Program modification due to changes with CPA licensure.
- **MS in Human Resources – Clinical Rehabilitation & Clinical Mental Health Counseling (089):** Online delivery request and program modification. Delivery change is requested due to increased demand for online classes. Program modification is requested due to an additional course, which will help students seeking licensure in other states.

If you have any questions or need additional information, please do not hesitate to contact Dr. Jeffrey Gibson, Provost & Vice President for Academic Affairs.

RE: Facilities Stewardship Committee

Dear Regent Ford,

Southeastern Oklahoma State University requests ratification of the emergency approval received from Regent McDermott on July 6 for the following.

In accordance with Board policy 1.12.3, Southeastern Oklahoma State University is requesting emergency approval to delegate authority to the President to sign a contract to purchase a house and lot located at 1328 N. 4th Ave. Durant, Oklahoma. The house is adjacent to property owned by the University. The appraisal price on the home is \$32,000.

The house is currently owned by The Wesley Center, which is a campus ministry center. The house needs to be demolished. We would like to use half of the lot to add an additional parking lot. The other half would be leased back to the Wesley Center to be used for their volleyball court.

Amount: \$32,000 plus closing costs

Regional University System of Oklahoma

FROM: Dr. Rodney Hanley, President

SUBJECT: Facilities Stewardship Committee Agenda Items–August 2023

1. Project #485-0076 – Oklahoma College of Optometry

- Project Description: NSU requests ratification of emergency approval granted by Regents Ford and McDermott on August 8, 2023, to increase the total project budget by \$6,000,000. Phase I of this project was originally approved by RUSO in September of 2015, for programming and conceptual design. In November of 2021, RUSO approved Phase II for final design and construction award, for a total project budget of \$33,357,300. This emergency ratification includes the \$3,000,000 from the increased award in ARPA funds and another \$3,000,000 total from donations and Optometry Auxiliary Revenue to bring the total project budget to \$39,357,300.
- Requested Funding Approval: \$39,357,300
- Budget Breakdown: New Construction
- Revenue Source(s): ARPA, Donations from the Cherokee Nation, NSU Optometry Auxiliary Revenue, Donations from Individuals, Infrastructure Fee, Reserves and OSRHE Master Lease Bond

2. Project #485-90-20 – Seminary Hall Elevator Remodel

- Project Description: Requesting permission to design, bid and award to the lowest responsible bidder, the remodel and replacement of the Seminary Hall elevator and associated components.
- Requested Funding Approval: \$330,000
- Budget Breakdown: Renovation/Repairs
- Revenue Source(s): 600 Fund

Over the past 16 months the seminary hall elevator has had many emergency repairs due to breakdowns. The age of the elevator also causes delays to difficulty sourcing replacement parts. This project will focus on a full system remodel and replacement. This is a critical need to maintain access for both students, visitors, and faculty/staff in our hallmark building and accessing the museum space.

3. Project #485-0043 – Physical Plant Roof

- Project Description: This project was originally approved in the September 2022 board meeting for \$260,000. An additional increase of \$120,000 was approved in June 2023. We are requesting to increase the total project again by \$30,000 to fund additional decking repair and replacement that was discovered during removal of existing roof. Requested Funding Approval: \$410,000
- Budget Breakdown: Renovation/Repairs
- Revenue Source(s): 600 Fund

Deck replacement increase will not exceed the unit price that was listed on the bid form as an additional unit price in the contractors publicly opened bid.

4. Project #485-0073 – University Center Mechanical Room & Boiler Replacements

- Project Description: Requesting permission to design bid and award to the lowest responsive bidder required code updates to the mechanical room, boiler replacements, and the associated boiler piping/components.
- Requested Funding Approval: \$275,000
- Budget Breakdown: Renovation/Repairs
- Revenue Source(s): 751 Fund

Replacing HVAC and Domestic boilers in the third floor mechanical room of UC. Work will also include piping replacement, and building a new wall to separate the boilers from the rest of the room to meet modern code.

5. Project #485-0043 – Optometry Complex East Flat Roof

- Project Description: Request approval to design bid and award to the lowest responsible bidder needed replacement and repairs to flat roof portions of the optometry complex.
- Requested Funding Approval: \$146,000
- Budget Breakdown: Renovation/Repairs
- Revenue Source(s): Infrastructure Fee

Replacing the flat roof section on the existing optometry complex. Two sections of the existing building have active leaks. Work could also include repairs to adjacent HVAC, roof curbs, and wall paneling.

NORTHEASTERN STATE UNIVERSITY

6. Project #485-0073 – JVL Electrical Upgrades

- Project Description: Requesting permission to design bid and award to the lowest responsible bidder needed upgrades and replacements to the main electrical service panel and mechanical room sub-panels.
- Requested Funding Approval: \$146,000
- Budget Breakdown: Renovation/Repairs
- Revenue Source(s): Infrastructure Fee

Existing main power panel service and sub panels in JVL mechanical room are inadequate to serve new pumps / boilers and replacement parts are no longer readily available due to the age of equipment. This is NOT a full replacement. Just selective replacement of critical service components such as HVAC.
